

Help prepare your clients for a healthy 2024

The new year is here, and now is the perfect time to get your clients, and their children, covered.

When your clients insure their children early, they can get cover in place before an unexpected, childhood condition may arise.

Wish your clients a Happy New Year with 12 months free child health cover.*

For a limited time, for every adult covered by a new Ultimate Health, Ultimate Health Max or Easy Health policy, before 29 February 2024, **one child will be covered FREE for a year with our Base Cover.**

Don't forget that with nib, your clients can still insure a child in their family without needing to have cover themselves (although they won't be eligible for the offer).

DON'T MISS OUT. This offer is available exclusively through nibAPPLY. To find out more, get in touch with your Adviser Partner Manager today or visit nibadviser.co.nz

*This offer is available to new members only. One child will receive 12 months free base cover with each insured adult on the same policy - applicable when you sign up to Easy Health, Ultimate Health or Ultimate Health Max. A "child" is a new member of nib and under the age of 21 years old. Usual underwriting terms apply. Terms and conditions apply.
